Dear Mr. Caufield:

This is in response to your facsimile request for an extension to January 14, 2011, to file a response to the Acting General Counsel's Motion for Modification of Board's Decision and Order in the subject case.

The Board's Rules and Regulations do not provide for responses to motions for modifications. The Board's policy regarding such motions is to accept responses if they are filed before the Board decides the matter. Thus, I am unable to grant an extension to a deadline that does not exist. Accordingly, your request is denied. I have notified the Board of your intent to file a response by January 14, 2011, but I cannot guarantee that the Board will await your response before acting on the Motion for Modification. Therefore, you should file your response as soon as possible.

Very truly yours,

A handwritten signature in black ink that reads "Richard D. Hardick".
