**REQUEST FOR EXTENSION OF TIME TO FILE EXCEPTIONS
TO THE SUPPLEMENTAL DECISION FOLLOWING REMAND**

1. On March 12, 2012, Counsel for Republic Services received ALJ Amchan's Supplemental Decision Following Remand. In accordance with the Board's Rules and Regulations, Section 102.46, Republic Services Exceptions to the Supplemental Decision would be due on or before April 6, 2012.
2. Representatives of Republic Services and IUOE Local 150 have been in negotiations to reach a global settlement of outstanding issues between the parties since early March, 2012.
3. Substantial progress has been made including the withdrawal of the Request for a Re-run Election at Republic's DeMotte, Indiana facility and the submission of several collective bargaining agreement renewals to IUOE Local 150 members for ratification.
4. The parties are currently in the process of "dotting the i's and crossing the t's" with respect to compliance with and settlement of the arbitration awards with respect to Pugh, Wiegand, and Fairchild and the re-recognition of Local 150 at the County Line Landfill.
5. It is anticipated that the final settlement documents will be completed and available for review by NLRB Region 25 within the next two weeks.
6. In light of progress with respect to a global settlement, counsel for Republic Services respectfully requests an extension of time to file exceptions, if necessary, until April 20, 2012.
