Re: Respondent's Exceptions and Supporting Brief in *Anglo Kemlite Laboratories, Inc.*, 13-CA-065271.

Dear Sirs:

This letter acknowledges receipt of the Respondent's Exceptions to the Administrative Law Judge's Decision and Brief in Support of Exceptions.

Section 102.111(b) of the Board's Rules and Regulations specifies that exceptions and briefs in any proceeding must be received by the Board before the official closing time of the receiving office on the last day of the time limit. In the event that a party chooses to electronically file the briefs, or any other papers, in a proceeding, the Agency will accept electronic filings up to 11:59 p.m. in the local time zone of the receiving office on the due date. The terms for electronic filing are posted on the Agency's website.

The Respondent's exceptions and supporting brief in this case were due on May 3, 2012. Because the Respondent chose to electronically file this brief, it was due prior to 11:59 p.m. (EST) in the Office of the Executive Secretary. The Agency's records reflect that the Respondent's exceptions and supporting brief were actually received in the Office of the Executive Secretary at 12:36 a.m. and 12:37 a.m. (EST), respectively, on Friday, May 4, 2012. Therefore, the Respondent's exceptions and supporting brief are untimely, and will not be forwarded to the Board for consideration.

Very truly yours,

A handwritten signature in black ink, appearing to read "Farah Z. Qureshi", written over a horizontal line.

Farah Z. Qureshi
Associate Executive Secretary
