Dear Mr. Oliveras:

This will acknowledge the August 24, 2012 receipt in this Office of the electronically-filed Respondent's Motion for Reconsideration of the Board's July 25, 2012 Decision and Order in this case.

Section 102.48(d)(2) of the Board's Rules and Regulations requires that motions for reconsideration be filed "within 28 days, or such further period as the Board may allow, after the service of the Board's decision or order..." Section 102.112 of the Board's Rules and Regulations states that "[t]he date of service shall be the day when the matter is deposited in the United States mail..." No extension of time was requested for the filing of a motion for reconsideration in this case. The Board's Decision in this case was deposited in the mail on July 25, 2012. Accordingly, the last date for timely receipt of your motion for reconsideration was August 22, 2012. As your motion was filed 2 days after the due date, it is untimely and cannot be forwarded to the Board for consideration.

Very truly yours,

/s/ Henry S. Breiteneicher
Associate Executive Secretary
