Re: AM Property Holding Corp.  
Case 2-CA-33146 et al.

Dear Mr. Heltzer:

I am writing on behalf of Charging Party Service Employees International Union, Local 32BJ ("Local 32BJ") to strenuously object to Planned Building Service's ("PBS's") request for an extension of time to submit a Statement of Position.

While it is true that the parties have attempted to settle this matter, PBS and Local 32BJ broke off settlement talks one month ago and there does not appear to be any prospect of settlement at this time. Local 32BJ is extremely concerned about the passage of time in this case; while we agreed to temporarily put the case on hold to pursue settlement talks, we now believe that further delay will not facilitate settlement.

Accordingly, I urge the Board to deny the request for an extension of time. Also, although the request should be denied in its entirety, I note that February 18, 2013 is a holiday, and I will be on vacation on February 19th and 20th, so I would request that if any extension is granted that the deadline be extended no later than February 15, 2013.

Sincerely,

Andrew Strom  
Associate General Counsel
