Re: *Silgan Plastics Corp.*, 25-CA-031870, et al.

Dear Ms. Sanchez:

This letter acknowledges receipt of the Respondent's Motion to Submit Supplemental Authority and to Supplement Respondent's Brief in Support of its Exceptions filed on February 7, 2013.

Pursuant to *Reliant Energy*, 339 NLRB 66 (2003), a party may bring to the Board's attention pertinent and significant authorities that come to a party's attention after the party's brief has been filed. A party may promptly advise the Executive Secretary of such authorities, by letter, with a copy to all other parties. The letter should set forth the case citations and state the reasons for them, and refer to the pages, paragraphs, and lines of the brief to which the citations apply. The body of the letter must not exceed 350 words.

The Respondent may submit a letter that complies with all of the requirements of *Reliant Energy*. Should the Respondent submit a *Reliant* letter, the Acting General Counsel may file a similarly limited response. That response must be filed in unfair labor practice cases no later than 14 days, and no extensions will be granted to file the response.

In light of the above, the Respondent's Motion to Submit Supplemental Authority and to Supplement Respondent's Brief in Support of its Exceptions is moot.

Very truly yours,
